

UNTO JESUS BE ALL GLORY

Unto Jesus be all glory, let us worship and adore

Unto Jesus, our Messiah, let our words and voices soar

Precious Jesus, we are longing, just to worship at your feet

You are worthy, beyond measure, and your name to us is sweet

Unto Jesus be all glory, in your blood the gospel's sealed

Your were pierced for, our transgressions, by your stripes our wounds are healed

Dearest Jesus, precious Savior, at the cross you did atone

We were rebels, we were debtors, now we stand before your throne

Unto Jesus be all glory, as you live to intercede

Binding up the, brokenhearted, meeting every single need

Precious Jesus, our Good Shepherd, caring always for your sheep

You surround us, with your favor, all your promises to keep

Unto Jesus be all glory, Captain of a mighty host

Soldiers in the fiercest battles, fighting to the uttermost

War is raging, but you are reigning, by your wise and sovereign hand

Keep us holy, keep us faithful, to the word of your command
